

To: Sen. Cathy Osten and Rep. Phillip Miller, co-chairs of the Planning and Development Committee

From: Wanda Colman, 14 Main St. Ext., Tariffville, CT, 06081

I am sending written testimony in SUPPORT of Senator Beth Bye's "Water Bill" SB 422 which will come before the Legislature on Friday March 11th at 11 am during a hearing.

I support all efforts to prevent the operation of a Niagara bottling plant in Bloomfield or any such water bottling plant anywhere in our state, and this bill SB 422 will go a long way towards preventing such a bad deal for Connecticut and the region.

Thank you, Wanda Colman
